

SENATOR MASSEY NOW LEADING BY 40 VOTES

TELEGRAPHIC REPORTS STATE THAT E. E. ROBERTS IS ALSO ELECTED

IN LOCAL FIGHT SANDERS HAS A SMALL LEAD OVER ATKINSON ZEB KENDALL GAINING AND MAY YET WIN OVER W. A. MORGAN

Special to the Bonanza
RENO, Nov. 7.—The latest totals show Massey, 5891; Pittman, 5856; Roberts, 5121; Tallman, 4876.

Who's who in Nevada and Nye county at the present time is a question that remains unanswered and it will take at least another day to determine the victors of the election day battle. According to a special dispatch received by the Bonanza at 2:30 o'clock this afternoon, Senator Massey is leading Pittman by a bare 40 votes, while the election of Roberts is an assured fact. The last announcement came as a distinct surprise for it has been conceded that Tallman was victorious. What the late figures are based upon is not known and it may be possible that a mistake occurred in sending the telegram.

The dispatch as received reads as follows:

RENO, Nov. 7.—Practically complete returns from all over the state, exclusive of White Pine, Douglas and Clark counties, and accepting the democratic headquarters figures on these three counties, shows Massey leading by 40 votes. Roberts is elected.

The situation with regard to the county situation is somewhat difficult to solve. Of the 27 precincts, Lone, Hot Creek, Duckwater, Currant Creek, Sunnyside, Sharp, Springdale, Johnny and Millet have failed as yet to send in the ballots. Unofficial returns, however, are to be had, and it is stated that Judge Sanders has a lead of about 40 votes over

H. H. Atkinson for the office of district attorney.

In the state senator fight M. J. Scanlan and W. A. Morgan, the two socialist candidates, continue to lead. The plurality of Morgan is being reduced by the returns from the outside and it is possible that Zeb Kendall, the democratic candidate, may yet be elected. The fight is close, but the outside returns are from principally democratic precincts.

Yesterday the five leaders on the assembly ticket were George A. Cole and Al Kellher, democrats, and I. F. Davis, T. H. Lynch and F. M. Wall, socialists. Today the outside returns have strengthened R. H. Barnes and William Forman, democrats, and it is possible they will be chosen in the places of Lynch and Wall. Davis is practically assured of his election.

The election of Malley for sheriff was never in danger. Frank Manix and Robert G. Pohl were re-elected to the offices of county treasurer and county clerk respectively. For the office of auditor and recorder William M. Grimes has apparently defeated R. H. Dalzell by about 200 votes.

W. A. Marsh, the democratic candidate continues to gain over W. T. Cuddy for the long term commissioner, while A. Ferguson and Dick Davis are about safe for short term and unexpired term commissioners. This will give the board a republican complexion, the last two named belonging to that party.

SIX TONS OF BULLION ARE SHIPPED FROM LOCAL MINES

Silver bars of bullion representing \$152,968.50 were sent out of Tonopah yesterday and today by three mining companies here. The bars numbered 133 and were consigned to the Selby smelter. The shipment yesterday was from the Belmont company and totaled 62 bars, with an approximate weight of 110,063 ounces. The approximate value was \$85,849.19. The shipment was a little below the regular amount, owing to the mine and mill having been closed for several days during the time the local substation was damaged by fire.

The remaining shipments were from the West End and Montana companies and were also below the average, the same cause necessitating a slight suspension in mill operations. The West End shipped this morning 22 bars, with an approximate weight of 30,800 ounces and an estimated value of \$23,716. The Montana shipment consisted of 49 huge bars having an approximate weight of 56,368 ounces and the estimated value of \$43,403.36. The approximate weight of the entire shipment is 12,327 pounds, or slightly more than six tons.
